

The 6th Iran International Conference on Engineering Education, 19-21 November 2019

Program	Time	Day	
Conference Reception	7:30 - 8:30	Tuesday November 19	
Conference Opening Ceremony	8:30 - 9:15		
Keynote Speech - Prof. A. Saadegh Vaziri (Transition to College: from Students to Scholars)	9:15 - 10		
Break	10 - 10:30		
Discussion Panel 1 (University and Industry Co-op - Challenges and Opportunities)	10:30 - 12		
Launch	12 - 13:30		
Discussion Panel 2 (Engineering education, society and ethics)	13:30 - 15		
Break	15 - 15:30		
Keynote Speech - Dr. Amir M. Sodagar Engineering education along the time and place	15:30 - 16:15		
Keynote Speech - Prof. A. Haerian Ardakani Transition from quantity to quality in higher education)	16:15 - 17		
Break	17 - 17:30		
Paper presentation session 2	Paper presentation session 1		17:30 - 19:30
Program	Time		Day
Keynote Speech - Dr. Cecilia Chan (Assessing the "hidden" learning outcomes (generic competencies) in Engineering Education)	8:30 - 9:15	Wednesday November 20	
Keynote Speech - Prof. M. Mehrmohammadi (Education Research)	9:15 - 10		
Break	10 - 10:30		
Discussion Panel 3 (Interaction of Humanities on Engineering Education and New Technologies on Humanities)	10:30 - 12		
Launch	12 - 13:30		
Discussion Panel 4 (Innovation in Engineering Education: Challenges and Prospects)	13:30 - 15		
Break	15 - 15:30		
Keynote Speech - Dr. A. Azemi)Benefits of Teaching Systems Thinking and Engineering Systems Design as part of an Engineering Curriculum(15:30 - 16:15		
Break	16:15 - 17		
Paper presentation session 4	Paper presentation session 3		17 - 19
Dinner			19 - 21
Program	Time	Day	
Discussion Panel 5 (What you don't learn in engineering school)	8:30 - 10	Thursday November 21	
Break	10 - 10:30		
Discussion Panel 6 (Engineering training and testing of professional qualifications)	10:30 - 12		
Conference Closing Ceremony	12 - 13		
Launch	13 - 14
